

Benton County COVID-19 Weekly Update 07-24-20

For Immediate Release:
24 July 2020

Contact: Benton County Emergency Management Hotline
Office: (765) 884-1359

Benton County, Ind. The Benton County Emergency Operations Center is committed to get timely information to the public. **Daily updates have moved to weekly updates on every Friday as the Emergency Operations Center downsizes. Please check the Indiana State website for daily case number changes.** You may still call the Emergency Management Agency for questions or concerns.

As of today, July 24th, 2020, Benton County adds two (2) cases over the week which brings the total to fifty-five (55) confirmed cases of COVID-19 (corona virus). The Benton County Health Department is working closely with the Indiana State Department of Health monitoring the situation.

- **Travel Restrictions**

- Benton County Officials would like to remind residents and visitors of the area guidelines for reopening Indiana. **Benton County remains at Stage 4.5 Guidelines.** All Benton County residents are required to follow Governor Holcomb's Executive Order 20-26. The Benton County Commissioners will not add any additional restrictions at this time. Both State and local guidelines may be modified if conditions warrant.

- **Recovery**

- The Health Department has been monitoring those affected and ensuring proper measures for quarantine. While conducting daily assessments, the symptoms of the patients have been improving and forty-seven (47) cases have been released from quarantine. The Benton County Health Department utilizes the Center for Disease Control and Indiana State Department of Health guidelines for monitoring and quarantine recommendations. Although the overall numbers keep increasing, the number of active cases is lower than depicted on the Indiana State Maps and statistics.

- **Testing and Cases**

Currently, Benton County has fifty-five (55) confirmed cases of COVID-19 (corona virus). Testing is being accomplished by the Indiana State Department of Health and by direction of physicians for patients that meet certain criteria. Please keep in mind our number of positive cases will remain the same, but officials are seeing recovery numbers increase. **The number of active COVID-19 cases in Benton County stands at eight (8) with zero (0) deaths being reported.** There have been seven hundred ninety-three (793) tests administered in total to Benton County residents for COVID-19.

- **Symptoms**

- The main signs and symptoms of COVID-19 (corona virus) are as follows:
 - Dry persistent cough and/or shortness of breath
 - Additional signs and symptoms include:

<ul style="list-style-type: none"> • Fever • Chills • Repeated shaking with chills • Muscle Pain 	<ul style="list-style-type: none"> • Headache • Sore Throat • New loss of taste or smell
--	---
- Anyone exhibiting these symptoms should contact their physician for an evaluation.
